

## REGENSTRIEF PUBLIC LICENSE VERSION 1.0

Regenstrief Institute, Inc. ("Regenstrief") is the owner of the Original Code (as that term is defined below). The Original Code as well as all Modifications (as that term is defined below) are made available for use, modification, and distribution solely pursuant to and in accordance with the terms and conditions of this Public License.

### **1. Definitions**

1.1. "Contributor" means each entity that creates or contributes to the creation of Modifications.

1.2. "Contributor Version" means the combination of the Original Code, prior Modifications used by a Contributor, and the Modifications made by that particular Contributor.

1.3. "Covered Code" means the Original Code or Modifications or the combination of the Original Code and Modifications, in each case including portions thereof.

1.4. "Electronic Distribution Mechanism" means a mechanism generally accepted in the software development community for the electronic transfer of data.

1.5. "Executable" means Covered Code in any form other than Source Code.

1.6. "Initial Developer" means (individually and collectively) Regenstrief and such other individuals or entities as might be identified by Regenstrief in writing as an Initial Developer.

1.7. "Larger Work" means a work that combines Covered Code or portions thereof with code not governed by the terms of this License.

1.8. "License" means this document.

1.8.1. "Licensable" means having the right to grant, to the maximum extent possible, whether at the time of the initial grant or subsequently acquired, any and all of the rights conveyed herein.

1.9. "Modifications" means any addition to or deletion from the substance or structure of either the Original Code or any previous Modifications. When Covered Code is released as a series of files, a Modification is:

(a) Any addition to or deletion from the contents of a file containing Original Code or previous Modifications.

(b) Any new file that contains any part of the Original Code or previous Modifications.

1.10. "Original Code" means Source Code of computer software code which is described in the Source Code notice required by Exhibit A as Original Code, and which, at the time of its release under this License is not already Covered Code governed by this License.

1.10.1. "Patent Claims" means any patent claim(s), now owned or hereafter acquired, including without limitation, method, process, and apparatus claims, in any patent Licensable by grantor.

1.11. "Source Code" means the preferred form of the Covered Code for making modifications to it, including all modules it contains, plus any associated interface definition files, scripts used to control compilation and installation of an Executable, or source code differential comparisons against either the Original Code or another well known, available Covered Code of the Contributor's choice. The Source Code can be in a compressed or archival form, provided the appropriate decompression or de-archiving software is widely available for no charge.

1.12. "You" (or "Your") means an individual or a legal entity exercising rights under this License or a future version of this License issued under Section 6.1. For legal entities, "You" includes any entity which controls, is controlled by, or is under common control with You. For purposes of this definition, "control" means (a) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (b) ownership of more than fifty percent (50%) of the outstanding shares or beneficial ownership of such entity.

## **2. Source Code License**

2.1. The Grant. Regenstrief hereby grants You a world-wide, royalty-free, non-exclusive license, subject to third party intellectual property claims:

(a) under intellectual property rights (other than patent or trademark rights) Licensable by Regenstrief to use, reproduce, modify, display, perform, sublicense and distribute the Original Code (or portions thereof) with or without Modifications, and/or as part of a Larger Work; and

(b) under Patents Claims Licensable by Regenstrief and infringed by the making, using or selling of Original Code (or portions thereof) with or without Modifications, to make, have made, use, practice, sell, and offer for sale, and/or otherwise dispose of the Original Code (or portions thereof) with or without Modifications.

(c) the licenses granted in this Section 2.1(a) and (b) are effective on the date Regenstrief first distributes Original Code to You under the terms of this License.

(d) Notwithstanding Section 2.1(b) above, no patent license is granted: 1) for code that You delete from the Original Code; 2) code that is separate from the Original Code; or 3) for infringements caused by: i) the modification of the Original Code or ii) the combination of the Original Code with other software or devices.

2.2. Ownership. You shall fully and promptly disclose in writing to Regenstrief all Modifications that You create or to which You contribute. You shall be the owner of all right, title, and interest in and to the Modifications that You create or to which You contribute, including all patent rights, copyrights, and other intellectual property rights. You hereby grant Regenstrief a world-wide, royalty-free, non-exclusive license to use, reproduce, modify, display,

perform, sublicense and distribute such Modifications, including all patent rights, copyrights, and other intellectual property rights.

### **3. Distribution Obligations**

3.1. Application of License. The Modifications that You create or to which You contribute are governed by the terms of this License, including without limitation Section 2.2. The Source Code version of Covered Code may be distributed only under the terms of this License or a future version of this License released under Section 6.1, and You must include a copy of this License with every copy of the Source Code You distribute. You may not offer or impose any terms on any Source Code version that alters or restricts the applicable version of this License or the recipients' rights hereunder. However, You may include an additional document offering the additional rights described in Section 3.5.

3.2. Availability of Source Code. Any Modification that You create or to which You contribute must be made available in Source Code form under the terms of this License either on the same media as an Executable version or via an accepted Electronic Distribution Mechanism to anyone to whom you made an Executable version available; and if made available via Electronic Distribution Mechanism, must remain available for at least twelve (12) months after the date it initially became available, or at least six (6) months after a subsequent version of that particular Modification has been made available to such recipients. You are responsible for ensuring that the Source Code version remains available even if the Electronic Distribution Mechanism is maintained by a third party.

3.2.1 Uploading Modifications. Any Modification that You create or to which You contribute must be uploaded to Regenstrief at the URL provided to You after execution of this Agreement. This uploading requirement applies to all Contributors, including but not limited to sublicensees.

3.3. Description of Modifications. You must cause all Covered Code to which You contribute to contain a file documenting the changes You made to create that Covered Code and the date of any change. You must include a prominent statement that the Modification is derived, directly or indirectly, from Original Code provided by the Initial Developer and including the name of the Initial Developer in (a) the Source Code, and (b) in any notice in an Executable version or related documentation in which You describe the origin or ownership of the Covered Code.

3.4. Intellectual Property Matters.

(a) Third Party Claims. If You have knowledge that a license under a third party's intellectual property rights is required to exercise the rights in and to any Modification that You create or to which You contribute granted under Sections 2.1 or 2.2, You must include a text file with the Source Code distribution titled "LEGAL" which describes the claim and the party making the claim in sufficient detail that a recipient will know whom to contact. If You obtains such knowledge after the Modification is made available as described in Section 3.2, You shall promptly notify Regenstrief and You shall promptly modify the LEGAL file in all copies You make available thereafter and shall take other

steps (such as notifying appropriate mailing lists or newsgroups) reasonably calculated to inform those who received the Covered Code that new knowledge has been obtained.

(b) Contributor APIs. If Your Modifications include an application programming interface and You have knowledge of patent licenses which are reasonably necessary to implement that API, You must also include this information in the LEGAL file.

(c) Representations. You represent that, except as disclosed pursuant to Section 3.4(a) above, You believe that Your Modifications are Your original creation(s) and/or You have sufficient rights to grant to Regenstrief the rights conveyed under Section 2.2.

3.5. Required Notices. You must duplicate the notice in Exhibit A in each file of the Source Code. If it is not possible to put such notice in a particular Source Code file due to its structure, then You must include such notice in a location (such as a relevant directory) where a user would be likely to look for such a notice. If You created one or more Modification(s) You may add your name as a Contributor to the notice described in Exhibit A. You must also duplicate this License in any documentation for the Source Code where You describe recipients' rights or ownership rights relating to Covered Code. You may choose to offer, and to charge a fee for, warranty, support, indemnity or liability obligations to one or more recipients of Covered Code. However, You may do so only on Your own behalf, and not on behalf of the Initial Developer, Regenstrief, or any Contributor. You must make it absolutely clear that any such warranty, support, indemnity or liability obligation is offered by You alone, and You hereby agree to indemnify the Initial Developer, Regenstrief, and every Contributor for any liability incurred by the Initial Developer, Regenstrief, or such Contributor as a result of warranty, support, indemnity or liability terms You offer.

3.6. Distribution of Executable Versions. You may distribute Covered Code in Executable form only if the requirements of Section 3.1-3.5 have been met for that Covered Code, and if You include a notice stating that the Source Code version of the Covered Code is available under the terms of this License, including a description of how and where You have fulfilled the obligations of Section 3.2. The notice must be conspicuously included in any notice in an Executable version, related documentation or collateral in which You describe recipients' rights relating to the Covered Code. You may distribute the Executable version of Covered Code or ownership rights under a license of Your choice, which may contain terms different from this License, provided that You are in compliance with the terms of this License and that the license for the Executable version does not attempt to limit or alter the recipient's rights in the Source Code version from the rights set forth in this License. If You distribute the Executable version under a different license You must make it absolutely clear that any terms which differ from this License are offered by You alone, not by the Initial Developer, Regenstrief, or any Contributor. You hereby agree to indemnify and hold harmless (and at the election of the Initial Developer, Regenstrief, or a Contributor as applicable, defend) the Initial Developer, Regenstrief, and every Contributor from and against any and all liability and expenses incurred by the Initial Developer, Regenstrief, or such Contributor as a result of Your distribution or use of the Covered Code.

3.7. Larger Works. You may create a Larger Work by combining Covered Code with other code not governed by the terms of this License and distribute the Larger Work as a single product. In

such a case, You must make sure the requirements of this License are fulfilled for the Covered Code.

#### **4. Inability to Comply Due to Statute or Regulation**

If it is impossible for You to comply with any of the terms of this License with respect to some or all of the Covered Code due to statute, judicial order, or regulation then You must: (a) comply with the terms of this License to the maximum extent possible; and (b) describe the limitations and the code they affect. Such description must be included in the LEGAL file described in Section 3.4 and must be included with all distributions of the Source Code. Except to the extent prohibited by statute or regulation, such description must be sufficiently detailed for a recipient of ordinary skill to be able to understand it.

#### **5. Application of this License**

This License applies to code to which Regenstrief has attached the notice in Exhibit A and to related Covered Code.

#### **6. Versions of the License**

6.1. New Versions. Regenstrief may publish revised and/or new versions of the License from time to time. Each version will be given a distinguishing version number.

6.2. Effect of New Versions. Once Covered Code has been published under a particular version of the License, You may always continue to use it under the terms of that version. You may also choose to use such Covered Code under the terms of any subsequent version of the License published by Regenstrief. No one other than Regenstrief has the right to modify the terms applicable to Covered Code created under this License.

#### **7. DISCLAIMER OF WARRANTY**

COVERED CODE IS PROVIDED UNDER THIS LICENSE ON AN "AS IS" BASIS, WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESSED OR IMPLIED, INCLUDING, WITHOUT LIMITATION, WARRANTIES THAT THE COVERED CODE IS FREE OF DEFECTS, MERCHANTABLE, FIT FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT. THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE COVERED CODE IS WITH YOU. SHOULD ANY COVERED CODE PROVE DEFECTIVE IN ANY RESPECT, YOU (NOT THE INITIAL DEVELOPER, REGENSTRIEF, OR ANY OTHER CONTRIBUTOR) ASSUME THE COST OF ANY NECESSARY SERVICING, REPAIR OR CORRECTION. NO WARRANTY IS MADE THAT THE COVERED CODE WILL OPERATE UNINTERRUPTED OR ERROR FREE OR THAT THE FUNCTIONALITY OF THE COVERED CODE (OR ANY INFORMATION OR CONTENT POSTED ON OR OTHERWISE MADE AVAILABLE BY WAY OF THE COVERED CODE) WILL MEET YOUR REQUIREMENTS OR THAT THE COVERED CODE IS FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS. FURTHER NO WARRANTIES OF ANY KIND WHATSOEVER ARE MADE AS TO THE RESULTS THAT YOU WILL OBTAIN FROM

RELYING UPON THE COVERED CODE (OR ANY INFORMATION OR CONTENT OBTAINED BY WAY OF THE COVERED CODE). THIS DISCLAIMER OF WARRANTY CONSTITUTES AN ESSENTIAL PART OF THIS LICENSE. NO USE OF ANY COVERED CODE IS AUTHORIZED HEREUNDER EXCEPT UNDER THIS DISCLAIMER.

## **8. TERMINATION**

8.1. This License and the rights granted hereunder will terminate automatically if You fail to comply with terms herein and fail to cure such breach within 30 days of becoming aware of the breach. All sublicenses to the Covered Code which are properly granted shall survive any termination of this License. Provisions which, by their nature, must remain in effect beyond the termination of this License shall survive.

8.2. If You initiate litigation by asserting a patent infringement claim (excluding declaratory judgment actions) against Initial Developer, Regenstrief, or a Contributor (the Initial Developer, Regenstrief, or Contributor against whom You file such action is referred to as "Participant") alleging that:

(a) such Participant's Contributor Version directly or indirectly infringes any patent, then any and all rights granted by such Participant to You under Sections 2.1 and/or 2.2 of this License shall, upon 60 days notice from Participant, terminate unless if within 60 days after receipt of notice You either: (i) agree in writing to pay Participant a mutually agreeable reasonable royalty for Your past and future use of Modifications made by such Participant, or (ii) withdraw Your litigation claim with respect to the Contributor Version against such Participant. If within 60 days of notice, a reasonable royalty and payment arrangement are not mutually agreed upon in writing by the parties or the litigation claim is not withdrawn, the rights granted by Participant to You under Sections 2.1 and/or 2.2 automatically terminate at the expiration of the 60 day notice period specified above.

(b) any software, hardware, or device, other than such Participant's Contributor Version, directly or indirectly infringes any patent, then any rights granted to You by such Participant under Sections 2.1(b) and 2.2(b) are revoked effective as of the date You first made, used, sold, distributed, or had made, Modifications made by that Participant.

8.3. If You assert a patent infringement claim against Participant alleging that such Participant's Contributor Version directly or indirectly infringes any patent where such claim is resolved (such as by license or settlement) prior to the initiation of patent infringement litigation, then the reasonable value of the licenses granted by such Participant under Sections 2.1 or 2.2 shall be taken into account in determining the amount or value of any payment or license.

8.4. In the event of termination under Sections 8.1 or 8.2 above, all end user license agreements (excluding distributors and resellers) which have been validly granted by You or any distributor hereunder prior to termination shall survive termination.

## **9. LIMITATION OF LIABILITY**

THE INITIAL DEVELOPER, REGENSTRIEF, AND EACH CONTRIBUTOR SHALL NOT BE DEEMED, DUE TO ANY PROVISION OF THIS AGREEMENT OR OTHERWISE, TO BE LIABLE TO YOU FOR ANY CLAIMS OR LOSSES OF ANY KIND RELATED TO THE USE OR INABILITY TO USE THE COVERED CODE (INCLUDING, WITHOUT LIMITATION, THE USE OF INFORMATION OR CONTENT MADE AVAILABLE BY THE COVERED CODE). CONSEQUENTLY, UNDER NO CIRCUMSTANCES AND UNDER NO LEGAL THEORY, WHETHER TORT (INCLUDING NEGLIGENCE), CONTRACT, OR OTHERWISE, SHALL THE INITIAL DEVELOPER, REGENSTRIEF, ANY OTHER CONTRIBUTOR, OR ANY OTHER DISTRIBUTOR OF COVERED CODE, OR ANY SUPPLIER OF ANY OF SUCH PARTIES, BE LIABLE TO ANY PERSON FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL DAMAGES OF ANY CHARACTER INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF GOODWILL, WORK STOPPAGE, COMPUTER FAILURE OR MALFUNCTION, OR ANY AND ALL OTHER DAMAGES OR LOSSES, OF ANY NATURE WHATSOEVER (DIRECT OR OTHERWISE) ON ACCOUNT OF OR ASSOCIATED WITH THE USE OR INABILITY TO USE THE COVERED CONTENT (INCLUDING, WITHOUT LIMITATION, THE USE OF INFORMATION OR CONTENT MADE AVAILABLE BY THE COVERED CODE, ALL DOCUMENTATION ASSOCIATED THEREWITH, AND THE FAILURE OF THE COVERED CODE TO COMPLY WITH PRIVACY LAWS AND REGULATIONS OR CLINICAL CARE INDUSTRY STANDARDS AND PROTOCOLS), EVEN IF SUCH PARTY SHALL HAVE BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES. THIS LIMITATION OF LIABILITY SHALL NOT APPLY TO A PARTY'S LIABILITY FOR DEATH OR PERSONAL INJURY RESULTING FROM SUCH PARTY'S GROSS NEGLIGENCE TO THE EXTENT APPLICABLE LAW PROHIBITS SUCH LIMITATION. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THIS EXCLUSION AND LIMITATION MAY NOT APPLY TO YOU.

## **10. U.S. GOVERNMENT END USERS**

The Covered Code is a "commercial item," as that term is defined in 48 C.F.R. 2.101 (Oct. 1995), consisting of "commercial computer software" and "commercial computer software documentation," as such terms are used in 48 C.F.R. 12.212 (Sept. 1995). Consistent with 48 C.F.R. 12.212 and 48 C.F.R. 227.7202-1 through 227.7202-4 (June 1995), all U.S. Government End Users acquire Covered Code with only those rights set forth herein.

## **11. MISCELLANEOUS**

This License represents the complete agreement concerning subject matter hereof. If any provision of this License is held to be unenforceable, such provision shall be reformed only to the extent necessary to make it enforceable. This License shall be governed by the laws of the State of Indiana, U.S.A., excluding its conflict-of-law provisions. With respect to disputes in which at least one party is a citizen of, or an entity chartered or registered to do business in the United States of America, any controversy relating to this License shall be subject to the exclusive jurisdiction of the Federal Courts and State Courts (as applicable) located in Marion County, Indiana, U.S.A., and each party hereby submits itself to the exclusive jurisdiction of

such courts, and any courts of appeal therefrom, and waives any objection (on the grounds of lack of jurisdiction, or forum non conveniens or otherwise) to the exercise of such jurisdiction over it by any such courts. If one party is a not a citizen of, or is an entity chartered outside of (and not registered to do business in), the United States, the applicable law governing the jurisdiction of which such party is a citizen might impact the terms and conditions of this Agreement. Whenever such applicable law does have such an effect, the parties agree to work in good faith to execute such amendments to this License as may be necessary to fulfill the purpose and objectives of the terms and conditions set forth in this License. The losing party shall be responsible for all costs, including without limitation, court costs and reasonable attorneys' fees and expenses of the other party(ies). The application of the United Nations Convention on Contracts for the International Sale of Goods is expressly excluded. **THE PARTIES HEREBY AGREE THAT THE PROVISIONS OF THE UNIFORM COMPUTER INFORMATION TRANSACTIONS ACT ("UCITA") SHALL NOT BE APPLICABLE TO THIS AGREEMENT AND/OR THE COVERED CODE.** Any law or regulation which provides that the language of a contract shall be construed against the drafter shall not apply to this License.

## **12. RESPONSIBILITY FOR CLAIMS**

As between Initial Developer, Regenstrief, and the Contributors, each party is responsible for claims and damages arising, directly or indirectly, out of its utilization of rights under this License and You agree to work with Initial Developer, Regenstrief, and Contributors to distribute such responsibility on an equitable basis. Nothing herein is intended or shall be deemed to constitute any admission of liability.
